## ABOUT US

**Todd** products are **SALTWATER TOUGH!** All our seats and hardware meet the highest standards of the American Boat and Yacht Council (ABYC), so when you install a Todd seat, you will never worry about quality, durability or reliability. Every product in our line-up is designed to withstand the harsh saltwater environment and the demands of marine use. Each seat we mold uses SURPASS® Performance resins by NOVA® Chemicals, the strongest material ever used in the industry. Todd Marine Products has been servicing the marine industry for generations, providing the most innovative products at reasonable costs. Constant improvements in our products; service and shipping have kept Todd the number one source for boatbuilders and boat owners around the world. We're committed to delivering the best products efficiently and backing them with the best customer service in the business. **Todd** Products operates manufacturing facilities in Rhode Island, Tennessee and Florida.

### Miami Helm Seat

Designed for the sophisticated boater, this chair features a flip up bolster allowing it to act as either a supremely comfortable seat or as a leaning post. The dimensions allow for installation on center consoles and walk around cuddies 20' and up. The high gloss finish is impervious to the saltwater environment. Heavy duty marine grade tufted upholstery is double-stitched for years of reliable service.

**5 Star Seat**

Todd's premier seat is luxurious and ample. Extra thick upholstery, swing away arms, individual lumbar support cushions and an integrated headrest prove this seat was designed with the most discriminating owner in mind. Modern yet classic, it is ideal for use as a helm seat. It is suggested that the Todd slider (6002A) be used with this seat.

**Full-sized reinforced bottom mounting plate.**
