Todd Deluxe Swingback Seats

These stylish, durable seats feature stainless steel swing-arms, plush, ribbed marine grade vinyl upholstery, rounded interior corners to prevent bait from getting trapped, hinged lid with a recessed, rubberized gasket for a tight seal (important for keeping contents cold for a longer time), a drain fitting and polyethylene mounting plates. The **Cooler/Livewell** version has a double-wall, foamed insulated interior. The **Dry Storage** version has a single-wall, non-insulated interior.
